OUTSTANDING RELAYS

The outstanding relay is awarded to the relay team, where consideration is based on a specific Relay event (Medley or Free). Criteria to be used includes:

1. Relay records broken. If more than one record is broken, the award goes to the relay team that takes the highest percentage of time off of the existing record. *
2. If no records are broken, then the award will go to the team that wins a relay event and is the closest to the existing record based on percentage*

*This is calculated as % to make it fair for the younger age groups, whose relays are only 4x25's.

Girls:

Age Group	Relay	Team	Criteria Used Closest to the current record
15-18	Medley Relay	Dana Hills	Zoe Lahanas, Maya Canada, Gianna Kougios, Abigail Adent * Record Breaker *

BOYS:
